Trade collaboration brochure

2021

Design is a powerful force in our lives which influences our homes, our thoughts and our moods. We are therefore delighted to present this overview of beautiful home and gifting ranges from four of the UK's most creatively successful designers – the vintage-inspired and soft palettes of Yvonne Ellen; the bold and funky colours of Emily Brooks; Sara Miller's beautifully ornate homages to nature; and Stuart Cox's retro interpretations of the world of birds.
