La collezione Spring / Summer 2025 apre le porte a un universo di nuove suggestioni e tendenze, abbracciando **elementi d'arredo inediti**: per la prima volta, lampade, tavolini, specchi e quadri fanno il loro ingresso nella casa Rituali Domestici. Le **creazioni materiche** si distinguono per la loro **artigianalità**, mentre le linee in **vetro** si illuminano di una radiosa leggerezza, conferendo all'ambiente una personalità unica. I **punti luce** generati dalle candele profumate soft touch avvolgono lo sguardo in un'atmosfera calda e accogliente. La nuova collezione rappresenta una **sintesi armoniosa di stili versatili**, che convivono in una visione dell'arredamento dinamica e creativa, dove l'unico criterio guida è la libera espressione di sé.

*The Spring/Summer 2025 collection opens the doors to a universe of new suggestions and trends, embracing **original furnishing elements**: for the first time, lamps, tables, mirrors and paintings make their entrance into the Rituali Domestici home. The **texture creations** are distinguished by their **craftsmanship**, while the **glass** lines are illuminated with a radiant lightness, giving the environment a unique personality. The **light spots** generated by the soft touch scented candles envelop the eye in a warm and welcoming atmosphere. The new collection represents a **harmonious synthesis of versatile styles**, which coexist in a dynamic and creative vision of furniture, where the only guiding criterion is the free expression of self.*

# Mutevoli trasparenze

## *Changing transparencies*

Creazioni in vetro e in vetro borosilicato invadono la casa. La collezione Gala si compone di colorati vasi di **trend design** la cui silhouette si piega a delicate forme di fiori o plissé. Il vetro rincorre delicati colori nella linea **fatta a mano** Pastello o crea decisi profili come nella collezione Estroso. Le creazioni Allacorte e Versavice incantano con la loro trasparenza e leggerezza, per celebrare la **tendenza del vetro borosilicato**.

Per un mondo di trasparenze, tutto da scoprire.

*Glass and borosilicate glass creations invade the home. The Gala collection consists of colourful **trend vases** whose every silhouette folds into delicate flower or pleated shapes. Glass follows delicate colours in the **hand-made** Pastello line or creates bold profiles as in the Estroso collection. The Allacorte and Versavice creations enchant with their transparency and lightness, to celebrate the **trend of borosilicate glass**. For a world of transparency, all to be discovered.*

La bellezza del Mediterraneo trova il suo spazio indimenticabile in casa. I suoi **simboli iconici** prendono vita nelle **creazioni fatte a mano** Meridia e si trasformano in esuberanti corone nella linea Arciboldo.

Le accese cromie delle nostre terre giocano con le **forme di design** di Intrecciata e con le sfumature dello **smalto reattivo** di Reginaldo. Piccoli borghi fanno festa nelle collezioni Incollina e Polignano.

Un tributo al Mediterraneo, che da luogo diventa ispirazione, tendenza, casa a cui far ritorno.

*The beauty of Mediterranean finds its unforgettable place at home.*

*Its **iconic symbols** come to life on the **handmade creations** Meridia and turn into exuberant crowns in Arciboldo line.*

*The bright colours of our land play with the **design forms** of Intrecciata and with the **reactive glaze's** nuances of Reginaldo. Small villages are celebrating in the collections Incollina and Polignano.*

*A tribute to the Mediterranean, which from place becomes inspiration, trend and home to return.*

Collezioni di **trend design** che sono un omaggio alle stagioni in cui la natura e la casa iniziano a fiorire: di idee, di creazioni, di ispirazioni. Ingiardino porta negli ambienti di casa la spensieratezza della vita all'aperto, mentre Eden celebra la beata tranquillità della vita rurale. Il profumo e il **tocco soffice** delle candele Sofficeluce lasciano che l'olfatto accompagni il piacere della vista. Le coloratissime creazioni Incarta, dalle forme disparate e originali, rappresentano accessori in cui la **sostenibilità abbraccia il design**. Per vivere l'inebriante energia della bella stagione, in ogni stanza.

*Trend design collections that are a tribute to the mild seasons in which nature and home begin to bloom: of ideas, creations, inspirations. Ingiardino brings the carefree nature of outdoor life to the home; Eden celebrates the blissful quiet of rural life. The scent and **soft touch** of Sofficeluce candles let the smell accompany the pleasure of sight. The colourful Incarta creations, with disparate and original shapes, are accessories where **sustainability embraces design**. To experience the heady energy of the spring summer season, in every room.*

## *Memories*

Le cornici arricchiscono non solo i ricordi, ma anche la casa. La memoria diventa **contemporanea tendenza** in cui ogni filtro è bandito, ricamo di mille **perline colorate**, **pattern** originale, **bouquet fiorito**, **dorato orlo** o incontro di leggiadre **farfalle**. Ogni angolo acquista **personalità** e ogni cornice è pensata per vivere accanto alle creazioni Rituali Domestici in una logica di reciproca valorizzazione.

*Decorative frames not only display your fondest memories but also enhance your home's decor. The memory becomes a **contemporary trend** where every filter is banned, embroidery of a thousand **coloured pearls**, original **pattern**, **floral bouquet**, **golden edge** or meeting of graceful **butterflies**. Every corner of a room has its own **personality** and each frame is carefully designed to complement the other items in the Rituali Domestici line.*
